

# Classic Swift Vision Drawers

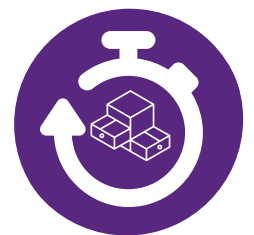

The Perfect Solution for Larder Units.  
Combining Beauty with Convenience  
and Practicality.

...found in all the best kitchens

The Probox Promise  
Delivered Right, On-time, Everytime

The Swift Vision drawers are designed to complement our Swift range of in-stock, standard sized drawers and Bespoke drawers. These drawers give a convenient and ergonomic way to store food with easy access to items from all three sides, a great way to enhance larder units in high quality kitchens.
